Dear Abhijeet Dhulekar,

We are pleased to inform you that your paper

132: "CONCEPTUAL DESIGN OF A LOW COST UNDERWATER GLIDER FOR EDUCATIONAL PURPOSE"

has been accepted for

2nd International Conference in Mechanical Engineering (INCOM 2024)

Please find the reports beneath.

=== Comment ===

Dear Authors,

We are pleased to inform you that the reviewers have recommended your revised version for publication.

You are now requested to upload the following documents for final check:

1. PDF version of Final manuscript as per Springer Template incorporating author details, acknowledgements etc. This should be a clean copy without any sort of highlighting or marking in color.
2. Zip folder containing all source files (i.e., word version of the final manuscript as in 1, all figure files named suitably in tiff format, min. 300 dpi resolution) and permissions documents for copyrighted materials used in the manuscript, if any.
3. License to publish (to be completed online).

You are requested to complete the above formalities within 21/4/2024 positively.

Thank you for giving us the opportunity to consider your work for INCOM 2024 Proceedings - Lecture Notes in Mechanical Engineering (Springer).

Best regards,

Editors, INCOM 2024 Proceedings

REPORT

The authors have given satisfactory answers to the reviewer's comments and the manuscript has been revised and improved accordingly.

REPORT

The authors made a worthy effort and addressed the comments raised. The manuscript is interesting, well structured, well organized. I suggest to be accepted for INCOM 2024.

=====

To upload the final version of the document log into your account and select the 'Your Submissions' page for INCOM 2024.
