Dear Author(s)

This is to let you know that we have initiated the review process, and the decision will be made tentatively before October 25th 2024. For the smooth review process, we will assign your paper to a "Specific Track" (the details of the specific track are available on the website; see link https://cict2024.iiita.ac.in/2024/?page_id=27) based on the area of interest under the "Regular Tracks". So, you will get some autogenerated email(s) from the CMT submission portal, for which no action is needed at your end.

We will reach out to you if we need any more information.

Thanks and Regards
Team CICT 2024
